

My name is James Fryman, my call sign is AC6LX. I had to take the 20 wpm test to pass, so I have a better view point than most when I say SCRAP THE TEST. Why only test on Morse Code? Why not PSK31 and RTTY to the same extent? I say loose it, I do not have any hard feelings that somehow my license is worth more than someone who didn't have to pass it.

Thank you for your time

James AC6LX
